

Partner Program
2015 - 2016
Become a PARTNER
Leave a LEGACY!

Dear Potential Partner:

The mission of the American Business Women's Association (ABWA) is:

To bring together businesswomen of diverse occupations and to provide opportunities for them to help themselves and others grow personally and professionally through leadership, education, networking support, and national recognition.

Last year, ABWA celebrated 65 years of changing women's lives. As a local "Express Network" of ABWA, the North Dallas Business Women (NDBW) needs **your** support to continue our mission in the North Dallas area.

The purpose of NDBW is to provide a venue for professional women to come together at least once a month during the lunch hour so that they can learn from experts, network with career-focused women, and gain support as they develop themselves personally and professionally.

A core value of NDBW and all of ABWA is the emphasis on giving to others. As such, dues that individual members pay annually and monies received from those who choose to "Partner" with NDBW not only ensure we provide the highest quality monthly educational luncheons, but that we can provide "Business Skills Training Reimbursement" to our members as well as "Outright Grants" to women pursuing their BA and MA, just to name some of what these dollars support.

As an official 501(c)(6)*, almost all of our funds come from individuals and corporate "Partners." In order to continue serving women and fulfill the ABWA mission and NDBW vision, we are in need of additional funds. **You** can help by taking advantage of our "Partner Program", which includes event tickets, opportunities to speak, and event, website and social media exposure for you or your business. We have three (3) Partner levels to choose from which allows you to find the best fit for your situation.

If you would like to become a Partner of NDBW for 2015, please complete the following form or contact Kasandra Vitacca Mitchell 469.682.8280, kvitacca@financialepiphany.com.

We hope you will be excited about the opportunity to support an organization that helps women grow personally and professionally at the local level.

Sincerely,
NORTH DALLAS BUSINESS WOMEN OF ABWA

Kasandra Vitacca Mitchell
Vice President of Finance
